SMALL THINGS TO KEEP IN MIND

or if you have a valid job offer and work authorization. If you could be invited under another program, you would need at least CAD 15,263. Check the latest table on the IRCC website. You do not need to send proof now, but you will need bank letters after the ITA, so please arrange your funds now.

- **Your primary occupation:** NOC 12200 is part of your eligibility for the Federal Skilled Worker program. After the ITA, your reference letters from Prairie Ledger Accounting and Cedar Trading must show duties that match this NOC, at least one year of full-time work, your hours and your salary.
- **Work permit:** Your work permit expires on February 4, 2027. Apply to extend it before it expires if you are still waiting.

ANNEX 5: WHAT TO EXPECT AFTER THE ITA

- You will have 60 days to submit a complete application.
- Every answer in your application must match your profile and documents.
- For each job, you will need a reference letter with the employer's legal name, your title, main duties matching your NOC, hours per week, salary and dates, plus pay stubs or T4s.
- You will need a 10-year history of addresses, activities and travel with no gaps, police certificates, a medical exam, and proof of funds unless exempt.
